Hello

My name is Rob Wetmore, owner and senior instructor at Leading Edge Martial Arts. We have two locations in Allentown and Bethlehem. I am writing to you to let you know about some of the programs we offer here at LEMA that may be of interest to you. As a community service, we visit local schools at no charge to educate children about anti-bullying, stranger-danger, self-discipline, and the responsibilities involved in studying Martial Arts. This also serves as a fun, change of pace activity for your students.

We can visit your school in any or all of the following formats:

- Individual classes
- Gym classes
- School assemblies (Our most popular program)

Our goal with these visits is to teach the children about stranger awareness, bully awareness, peer pressure, self-discipline, self-defense, the proper do's and don'ts (responsibilities) associated with studying Martial Arts, the importance of good grades "Knowledge is power.", as well as living a healthy life style. We can cater the program to meet your goals.

We do these programs in many schools throughout the Lehigh Valley. If you would need any referrals, I will be happy to direct you to some schools that are familiar with us and our programs. The programs have been very successful and are always well received. Again, there is no charge for this program. We do this as a community service. I would love to include your school in the list of schools around the area that benefit from our programs.

If you have any questions or you would like to discuss the programs more, please don't hesitate to call me or I would be happy to stop down and meet with you in person.

I look forward to speaking with you soon.

Sincerely,

*Rob Wetmore*
